

## Limited Use License

The purchase of this product conveys to the buyer the non-transferable right to use the purchased amount of the product and components of the product in research conducted by the buyer (whether the buyer is an academic or for-profit entry). The buyer cannot sell or otherwise transfer:

- (a) This product
- (b) Its components, or
- (c) Materials made using this product or its components

to a third party or otherwise use this product or its components or materials made using this product or its components for Commercial Purposes.

Commercial Purposes means any activity by a party for consideration and may include, but is not limited to:

- (1) use of the product or its components in manufacturing
- (2) use of the product or its components to provide a service, information, or data
- (3) use of the product or its components for therapeutic, diagnostic or prophylactic uses, or
- (4) resale of the product or its components, whether or not such a product or its components are resold for use in research.

The buyer may transfer information or materials made through the use of this product to a scientific collaborator, provided that such transfer is not for any Commercial Purpose, and that such collaborator agrees in writing (a) not to transfer such materials to a third party, and (b) to use such transferred material and / or information solely for research and not for Commercial Purposes.

RiboMed will not assert a claim against the buyer of infringement of patents owned or controlled by RiboMed which cover this product based upon the manufacture, use or sale of a therapeutic, clinical diagnostic, vaccine, or prophylactic product developed in research by the buyer in which this product or its components were employed, provided that neither this product nor any of its components was used in the manufacture of such product.

If the purchaser is not willing to accept the limitations of this limited use statement, RiboMed is willing to accept return of the product for a full refund. For information on purchasing a license to this product for purposes other than research, contact Business Development, RiboMed Biotechnologies, Inc. 1989 Palomar Oaks Way, Suite B, Carlsbad, CA 92011.
